

To Whom It May Concern

Brian Walsh
Executive Director
Television & Marketing

My name is Brian Walsh. I am a Senior Executive with the Australian arm of FOX Television.

I have had the great pleasure of knowing Billy Kirchen for eighteen years, both as an artist and friend.

In the time I have known Billy, he has proven to be extremely hard working and dedicated to every art project that he has conceived and created. He has the ability to take an original idea and see it to it's successful conclusion; whether that be directing Shakespearean productions, taking inner city children to perform in New York along side top name celebrities, or composing an opera.

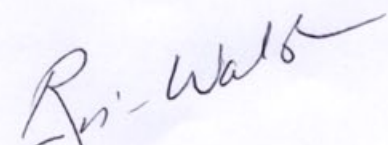

Billy is a truly gifted young man. He has a creative edge which is astonishing. His works are distinctive and poetic. He works with unbridled passion, integrity, and honesty.

I have long admired his commitment to a cause and of his unwavering dedication to helping and inspiring others.

Here is a young man who is putting his talents to benefit others and in that ambition, he is a role model for many in the industry.

It is with confidence and encouragement, that I send to him this letter to be presented to potential investors in his musical, "Mirrors of Desire." It is a most worthwhile project deserved of you support.

Yours Sincerely,

BRIAN WALSH
